Farmers Market Fall Festival

Thursday, Sept. 29th from 5-7pm

It's the last Briarcliff Village Farmers Market of the year. Don't miss your chance to sample locally grown flavors as we celebrate a return to cooler weather. On Thursday, Sept. 29, we'll officially say goodbye to summer with pumpkins, gourds, grilling, live music, and fall arts and crafts. Learn how to fire up some new dishes for the winter with our cooking demonstrations, and send the kids for some pre-Halloween face painting. Plus, CVS will be on site to arm you for flu season with flu shots for the entire family.

As part of the festivities, GreenAcres Market, the organic/local grocer, will host its first ever Baked Pie Contest. Categories include fruit, cream/custard and nut, and each winner will receive a \$25 GreenAcres Market gift card. For complete contest details and registration info, visit www.greenacres.com.
